

Safety Connection: Opt-Out Form

Dear Spencerport Parent/Guardian,

This year, Spencerport elementary schools will be using the MBF Child Safety Matters™ program from the Monique Burr Foundation for Children. The goal of the Program is to help keep your child safe.

The Program empowers children to spot and respond to bullying, cyberbullying, child abuse, and digital dangers. Most importantly, it teaches that adults are responsible for children's safety. The Program is based on the latest research. It has been reviewed and endorsed by national experts.

An informational letter was previously sent about this program. The MBF Child Safety Matters™ program provides students with important information about dangers they may face. If you do not want your child to participate, then please educate them using another program. Please contact your child's school with any concerns before opting them out of the program.

I understand returning this form means I DO NOT WANT MY CHILD TO PARTICIPATE in the MBF Child Safety Matters™ lessons. I UNDERSTAND THEY WILL NOT RECEIVE THE IMPORTANT SAFETY INFORMATION contained in the program. Students who have completed and submitted the-opt out form below will be going to a separate location such as the school library during the program sessions.
