SUBJECT: WORLD WIDE WEB: DISTRICT WEBSITE

In order to support the vision and mission of the School District, the District will create and maintain a website for the following purposes:

- a) A place to showcase innovative student and staff educational projects, presentations, and learning experiences.
- b) A gateway to District and community resources and to educational websites.
- c) A means for the community to access District information.
- d) A means of “opening up” communications among students, District personnel, the community, and associated organizations.
- e) And other purposes as may be designated by the Board of Education.

The District website may not be used for any commercial promotional activity.

Regulations will be developed for implementing guidelines as to staff/student access and usage of the District website.
