DON'T FORGET

IXL **i-Ready**

1
Make a list of things you still want to do before summer is over!

2
ICE CREAM SANDWICH DAY!
How many cookies would you need to buy if you wanted to make a dozen ice cream sandwiches?

3
How many different ways can you make \$1.95?

4
Find 5 objects in your house you think are less than 1 foot long. Measure them to the nearest $\frac{1}{2}$ inch!

5
Estimate how many jumping jacks think you can do in 1 minute! Now see how many you can actually do!

6
Go on a scavenger hunt and find real life examples of acute angles! Draw pictures of what you find!

7
Find 5 numbers in a newspaper or magazine. Round each of them to the nearest 10 and 100!

8
Popsicles come in boxes of 12. If you eat $\frac{1}{4}$ of them, how many did you eat? How many are left?

9
BOOK LOVER'S DAY!
Read your favorite book to a sibling, parent, relative, friend or pet!

10
S'MORES DAY!
If it takes 90 seconds to cook a perfect marshmallow, how long would it take to make 5 s'mores marshmallows?

11
Estimate how long you think you can hold your breath for. Have someone time you!

12
How much does 1 gallon of gas cost today? How much would it cost to fill a 10 gallon tank?

13
LEFT HANDER'S DAY!
If 1 out of every 12 people are left handed, how many lefties would be in a group of 72 people?

14
Measure how far you can jump from a standing position! Who in your family can jump the farthest?

15
Find 10 adjectives that describe summer! Cut them out and make a collage!

16
JOKE DAY!
Make up your own joke and share it with your family!

17
Use the grocery store ads to find a food from each food group and calculate how much it would cost to buy them altogether!

18
How many steps does it take to get to the end of your driveway? If each step is about 2 feet, about how long is your driveway?

19
AVIATION DAY!
The average wingspan of a plane is 197 feet. How many inches is that?

20
RADIO DAY!
Listen to a song on the radio. Make a list of rhyming words you hear as you listen!

21
SENIOR CITIZEN'S DAY!
Write a kind note to a senior citizen and deliver/mail it to them!

22
Throw a ball as high as you can 5 times! Count by 3's whenever the ball is in the air and see how high you get!

23/30
Sit in front of a fan and read for 20 minutes! See what it sounds like when you read into the fan!

24/31
Trace someone in sidewalk chalk! Measure their arms, legs, fingers and head!

30
Make a list of school supplies you will need! Try to calculate how much your supplies will cost!

26
NATIONAL DOG DAY!
Read a book to your dog (or pet, or stuffed animal)!

27
Make a list of things that you want to learn about next year in school!

28
Write a postcard/letter to your 3rd grade teacher telling them all about your summer!

29
Write a postcard to your new teacher introducing yourself
