

## Sep. 30 2022

Dear Spencerport Families,

I'm looking forward to celebrating Homecoming with you this weekend. Our week has been filled with school spirit and I encourage you to view our photo album at the link below for beautiful pictures that represent what it means to be a Ranger.

As we move further into the year, I know there may be times you will need to reach out with a question, or concern, or even a compliment. Because most issues can be resolved easily and completely by the educator in charge of the class or program, we recommend contacting that teacher or staff member as an initial step. If the issue is fairly complex, however, and requires additional assistance, we wanted to pass along our [Spencerport communication guide](#) to help you quickly and efficiently resolve the matter. There is a saying that "good communication is the bridge between confusion and clarity," and we hope the chart is a tool that can be used to foster positive dialogue and problem solving.

## Recognizing Our Human Resources Team

We are pleased to congratulate our assistant superintendent for human resources Jamie Lissow, who was recently honored with the Will S. Kuchta Excellence in Human Resources Award 2022 from the Nazareth College School of Business and Leadership. Ms. Lissow is incredibly deserving of this recognition, and we are certainly grateful for her leadership in our district.

Earlier this week we also marked Human Resources Professional Day, and would like to take a moment to extend our appreciation to our HR team for the work they do to support our Rangers staff.

If you or someone you know is looking for job opportunities within our district, please stop by our job fair on Monday, Oct. 3, 4-7 p.m. at Cosgrove Middle School. [Details may be found on our website.](#)
