You are receiving this letter in compliance with the School Pesticide Notification Law, which mandates all faculty, staff and persons in parental relation that have requested to be notified, must be provided with a written summary of pesticide applications four times each school year at the following intervals: within 2 days of the beginning of the school year, within 2 days of the end of winter recess, within 2 days of the end of spring recess and within 10 days of the end of the school year.

This summary serves for Winter Recess, applications from 9/8/22 thru 1/04/23

The Spencerport Central School District is required to maintain a list of persons in parental relation who wish to receive 48- hour prior written notification of certain pesticide applications. ** If you know of anyone that is interested in being added to the notification list, please have them contact the Spencerport Facilities Office at 349-5194.

Further information about products being applied, including any warnings that appear on the label of the pesticide that are pertinent to the protection of humans, animals, or the environment, can be obtained by calling the National Pesticide Telecommunications Network information phone number, 1-800-858-7378 or the New York State Department of Health Center for Environmental Health Info line at, 1-800-458-1158.

If you have any questions, please contact Darin Price at Spencerport Central Schools, 585-349-5195.
