Next Steps

Proud...but not
complacent...

Looking ahead:

The Student Experience:

- Development of grading philosophy/common building practices
- Continued focus on SEL and the mental health of our students
- Increased opportunities for student voice and choice
- Opportunities for increased elective opportunities

Looking ahead:

Academic Excellence:

- Finalized MTSS plan/implementation
- Data driven instruction
- Focus on personalized learning experiences
- Continued work with our content focused coaches
- Development of cross curricular opportunities
- Increased opportunities for students to participate in accelerated classes.

Looking ahead:

Connected and Collaborative Environment

- Equity committee
- Culturally responsive practices
- Welcoming and affirming environment
 - representation of all students throughout the building

Thank you for the opportunity to
present to you this evening
